

Ibrahim Abulaban

IT & Mobile Developer

Abu Dhabi, UAE | +971 52 714 6662 | i.abulaban02@gmail.com | linkedin.com/in/ibrahim-abulaban

PROFESSIONAL SUMMARY

IT and Mobile Application Developer with 3+ years of experience designing, developing, and deploying cross-platform mobile applications using React Native and Flutter. Skilled in building scalable Android and iOS applications, integrating REST APIs, payment gateways, location-based services, push notifications, and business-critical mobile workflows. Experienced across the full mobile application lifecycle, including UI development, testing, debugging, optimization, deployment, and maintenance. Strong background in JavaScript, TypeScript, React Native, Flutter, Redux, Agile/Scrum, Git, mobile performance optimization, and production release support.

Work Experience

Mobile Application Developer

Oct. 2025 – Present

Lilian Technology

Remote

- Develop and maintain cross-platform mobile applications using React Native and Flutter for Android and iOS platforms.
- Build scalable, reusable, and responsive mobile UI components aligned with modern mobile-first design practices.
- Integrate REST APIs, authentication flows, payment gateways, push notifications, and third-party SDKs.
- Collaborate with product managers, UI/UX designers, backend developers, and QA engineers in Agile development environments.
- Improve application performance, stability, and user experience through debugging, profiling, and optimization.
- Contribute to code reviews, sprint planning, release preparation, and continuous improvement of mobile development workflows.

React Native Mobile Developer

Jan. 2022 – Jan. 2025

Merwas Information Technology

Amman, Jordan

- Designed, developed, and maintained production-grade React Native applications for Android and iOS platforms.
- Built mobile solutions for HR management, eCommerce, auction systems, and van sales business operations.
- Implemented location-based attendance functionality using GeoSpace API to improve HR check-in accuracy and operational efficiency.
- Developed a full-featured eCommerce mobile application with auction functionality, payment integration, and real-time user workflows.
- Integrated RESTful APIs, push notifications, payment gateways, receipt printing services, and external business systems.
- Collaborated with backend developers, UI/UX designers, and stakeholders to deliver secure, scalable, and user-friendly mobile experiences.
- Optimized application performance, improved responsiveness, resolved bugs, and enhanced compatibility across multiple devices.
- Applied Agile/Scrum practices throughout the software development lifecycle, including sprint planning, daily stand-ups, and retrospectives.

Technical Skills

- **Mobile Development:** React Native, Flutter, Android, iOS, Cross-Platform Development, Mobile Application Lifecycle, Responsive Mobile UI
- **Programming Languages:** JavaScript, TypeScript, Dart
- **Frameworks & Libraries:** React Native, Flutter
- **APIs & Integrations:** REST APIs, Axios, Authentication, Payment Gateways, Push Notifications, Geolocation Services, Maps Integration, Third-Party SDKs
- **Testing & Performance:** Unit Testing, Integration Testing, Debugging, Performance Optimization, Error Handling
- **Tools & Platforms:** Git, GitHub, GitLab, Jira, Figma, Postman, Google Play Console, Apple App Store Connect
- **Methodologies:** Agile, Scrum, SDLC, CI/CD Fundamentals, Code Reviews, Release Management

Education

Princess Sumaya University for Technology

Amman, Jordan

Bachelor of Science in Software Engineering

- Relevant coursework: Mobile Application Development, Software Architecture and Design, Web Development, Database Systems, Software Engineering, System Analysis and Design.

42 Abu Dhabi

Abu Dhabi, UAE

Common core

Certificate

- React Native Specialization – Meta
- Design Patterns – University of Alberta
- Application Security for Developers and DevOps professionals – IBM

Others

- Nationality: Jordanian
- UAE Driving License
- Languages: Arabic , English
- Religion: Muslim
- UAE Residency: Sponsored by 42 Abu Dhabi, transferable visa
